Bowling Fundraiser to benefit  
Special Olympics Illinois  
December 10, 2018 4:00pm at Lisle Lanes**

On December 10th, the Naperville North and Naperville Central Boys Bowling Teams will be competing against each other for bragging rights in District 203. Aside from the friendly rivalry, we are combining our efforts at this match to raise money for the Special Olympics Illinois Bowling Program. 100% of the pledges raised at this match will go directly to Special Olympics Illinois.

Here is how you can pledge/sponsor this match:

- Pledge an amount per pin scored in the varsity match. Based on last year's total score, a pledge in the amount of \$.01 per pin would be a pledge donation of approximately \$55.00
- Pledge an amount per strike scored in the varsity match. A pledge in the amount of \$1.00 per strike would be a donation of approximately \$80.00.  
You can pledge any amount per strike (but not limited to): \$0.50, \$1.00, \$2.00, \$5.00 etc.
- Make a flat donation/sponsorship of any amount: i.e. \$25.00, \$50.00, \$100.00, \$200.00 etc.

All sponsorships or donations of \$250 or more will have their names printed on a banner that will hang over the varsity competition lanes and have their names printed in the program for this event. If you would like more information about donating or sponsoring this event please contact Naperville Central head coach Brian Dunn at [bdunn@naperville203.org](mailto:bdunn@naperville203.org).

On behalf of District 203, Naperville North and Naperville Central High Schools, Lisle Lanes and our bowling teams, we would like invite you to come out to Lisle Lanes on December 10th to watch the match, support and celebrate the 50th Anniversary of Special Olympics Illinois.
